

Phase 5: Construction Details

When: Approximately all of July 2021

What: Construction of southbound lanes and the west leg of the roundabout

Construct remaining southbound lanes of Massillon Road.

Roundabout will be partially open to allow for northbound and southbound traffic.

SR 619

Construct westbound lanes of SR 619. West leg of SR 619 will be closed.

Traffic south of SR 619 to Stein Road will travel on the inside median lanes.

Massillon Road

There is not expected to be construction work south of SR 619 during this phase.
